The Crow Wing Trail Association is a non-profit, registered charity, whose primary purpose is to develop, maintain and promote the section of Trans Canada Trail connecting Winnipeg to Emerson Manitoba.

The Trans Canada Trail will be a 22,000-kilometre recreational corridor connecting the Atlantic to the Pacific and Arctic Oceans. The creation of the Trans Canada trail was announced as part of Canada's 125th anniversary celebrations in 1992 and it is expected that when complete (by 2017), it will be the longest recreational trail in the world.

The Crow Wing Trail is the longest section (191 km) of Trans Canada Trail in Manitoba. It is based upon a historic fur trade route connecting the Red River Settlement of Fort Garry with St. Paul Minnesota. Although the trail is located along the original route, for the most part is located on a combination of gravel roads, undeveloped road allowances, community parks, sidewalks and in some instances, on private property to connect our communities and significant sites.

The Crow Wing Trail promotes hiking, biking, cycling, horseback riding and cross-country skiing. The Crow Wing Trail was officially registered with the Trans Canada Trail in 1999 and officially opened in 2006. Although opened, we still have a lot of work to do.

Support the Crow Wing Trail by making a donation.

Purchase a symbolic metre of trail to assist us to build, maintain and promote our section of the Trans Canada Trail for generations to enjoy. Your donation is crucial to our sustainability as we strive to move forward with the continued development of the Crow Wing Trail. All funds raised will remain locally within the jurisdiction of the Crow Wing Trail.

Donor Recognition

When you make a donation you receive a Trail certificate, an inscription in one of our trail heads of your choice, a tax receipt as well as our e-newsletter. Just fill in the Donor form and mail along with payment;
