

## **Autumn's Palette**

For food driven friends and family, the Fall Supper Options along the Crow Wing Trail are second to none. A little more particular to schedule, but if one can, attend a fall supper and take a hike along a section of the nearby Crow Wing Trail. Bring cash as most tickets are cash only. Prices range between \$10 to \$17 a plate but the variety will not leave you hungry for more, in fact, wear your turkey pants. While attending the fall suppers, one may be lucky enough to see the farmers in full harvest mode, and the fall colours in vibrant bloom.

The following Communities host Fall Suppers between September and November annually:

- St. Adolphe
- Niverville
- Otterburne
- St. Malo
- Ridgeville
- Emerson
